GREETINGS

Since our yearbook for this year is featuring the traditions of Amarillo High School, I should like to point out for you some of the meanings of our traditions and to name some of those which we cherish most. Our traditions take the form of a culture perpetuated, a practice followed, an event observed, or attitudes established. Traditions sometimes become so important as to be almost sacred, and to violate them is a greater offense than the violation of a law. It is, therefore, of the greatest moment that we give heed to the nature of the traditions which we establish. The nature and sacredness of the traditions of an institution are determined somewhat by the age of the institution. This year marks the 62nd anniversary of the first graduating class of Amarillo High School in 1894.

Among our most cherished traditions are those having to do with the cultures and attitudes which we have developed. These include our outstanding school spirit; our fine sportsmanship; our practices in democracy; our emphasis upon moral and spiritual values through the morning devotionals, morning watches, and similar activities; our model assemblies; our weekly contributions to charity and benevolences; and our wholesome spirit of genuine friendliness and courtesy which pervades our own numbers and is especially noted in our relations with other schools and visitors upon our campus.

There are a number of traditional dates and events that have been observed over a long period of years, a list of which is found in the Golden Rays. My challenge to the students and faculty of Amarillo High School is that you feel a personal responsibility for maintaining and further establishing these worthy traditions which, to so great a degree, determine the spirit, the efficiency, and the possible achievements of our school.

IN MEMORIAM

The Lord is my shepherd; I shall not want.
2 He maketh me to lie down in green pastures: he leadeth me beside the still waters.
3 He restoreth my soul: he leadeth me in the paths of righteousness for his name sake.
4 Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.
5 Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over.
6 Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord for ever.

—PSALM 23

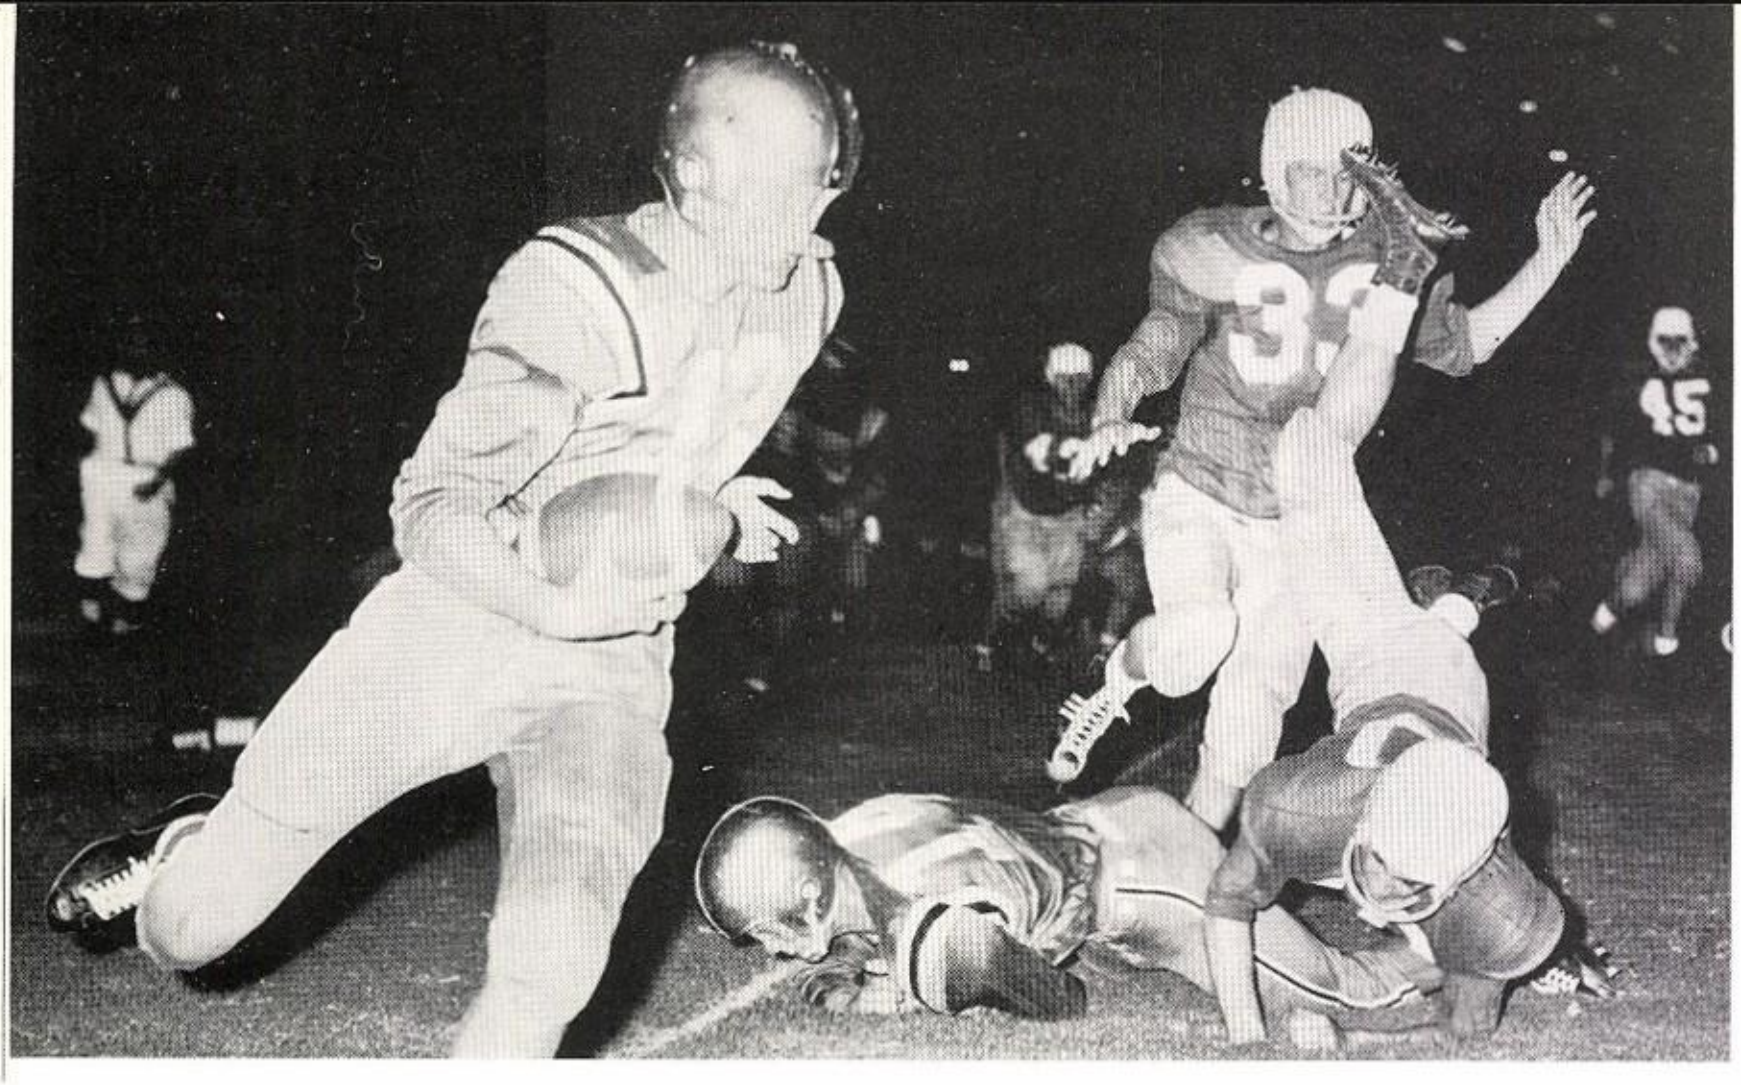
SEASON SUMMARY

The 1955 Golden Sandie football team finished its initial season under the coaching of Head Coach Joe Kerbel with a five win and a five loss statistical slate. The wins began at Amarillo Stadium in early September when the Golden Boys stopped the Capitol Hill Redskins of Oklahoma City 40-12. The second win was the following week over the Paschal Panthers of Fort Worth, 33-21. Other wins were over Pampa 13-6, Borger 33-0 and Lubbock of Lubbock, 35-0. The Sandies' first defeat was at the hands of Wichita Falls 27-0. They fell to Midland 26-7, to Odessa 14-0, to Abilene 35-13 and to San Angelo 19-7.

On the basis of their last two impressive wins, against Borger and Lubbock of Lubbock, the Sandies were ranked 15th in a poll of all Class AAAA teams in Texas. The AHSers met four of the top teams, Abilene, Midland, San Angelo and Wichita Falls. Feature of the new style of coaching by Mr. Kerbel was the lack of use of benches for the Golden Sandies. The team stood during the entire game and cheered the players on to victory. The Sandie Booster Club presented a touchdown horn to blow after each score, although no touchdown was made during the first game the yell leaders had the horn. Juniors and sophomores were used in the final games in preparation for the 1956 games.



AROUND END . . . Quarterback Billy Hulett scampers around end in the Sandie's initial tilt of the season against the Capitol Hill Redskins from Oklahoma City. The Sandies won this traditional opener, 40-13.

SANDIES PUSH REDSKINS BACK TO RESERVATION, 40-13

The Golden Sandie football squad got their season off to a roaring start by polishing off the Capitol Hill Redskins of Oklahoma City, 40-13, before a happy crowd of 12,000 fans on September 16. Halfback Arnie Duncan led the Sandie attack by scoring four times from long distances and from running up a total of 306 yards on eighteen trips. He was backed-up by excellent downfield blocking. The Sandie line opened up huge holes in the Redskin line to let their backs go down the field for good gains.

Quarterback Billy Hulett (pictured above), executed his ball handling to perfection in the last half, after a shakey start. Hulett scored one Sandie TD from eight yards out. Duncan's runs were 23, 30, 42, and 90 yards. The other Sandie TD came on a pitch-out pass from halfback Gene Cox to end Jimmy Duncan, good for thirteen yards. The contest marked the beginning of a season under new head coach Joe Kerbel, and assistants Tom Moulton and Charles Hester. The attendance was a near-capacity crowd.

PASCHAL'S PANTHERS POUNDED, 33-21

The Golden Sandstorm football team scored the first three times they got the ball and then held on to drop the highly regarded Paschal Panthers of Fort Worth 33-21 before 12,000 cold, wet fans on September 23, 1955 in Amarillo Stadium. Halfbacks Gene Cox and Arnie Duncan each scored twice and quarterback Billy Hulett added another in the scoring column for the Sandies. The game got underway with a freak safety for the Panthers at the game's opening. The dampness was held responsible. It marked the first time the Sandies had to come from behind during the young season.

COYOTES STUN SANDIES FOR 27-0 SHUTOUT

The Golden Sandies met their first loss of the young season at the hands of the Wichita Falls Coyotes on the Coyote field, 27-0 on September 30th. Outweighed considerably, the Sandies were not able to punch through the Coyotes' stout defense for any scoring threats. The team was hampered by injuries of halfback Arnie Duncan and tackle Boy Way. The Sandies were never past the Wichita 35 yard line, but the home boys invaded the Sandie paydirt fringe several times. The first Coyote TD came in the second quarter on a pass play caught between two Sandie defenders.

The Sandie ballhandling was not up to the par established in the two home games. The Coyotes cashed in on three bobbles for three tallies. First of these came when Gene Cox fumbled on the Sandie 36. After the Sandies fumbled deep in Coyote territory, the two teams exchanged punts and the Wichita boys scored again on a 53-yard drive. The final TD came with only seconds left after they recovered Billy Hulett's fumble on the Sandie 26. Danny Gordon scored three TD'S for the Coyotes.

PAMPA FEELS WINDSTORM, 13-6

The Golden Sandstorm scored twice in the first period and held on gamely to defeat the Pampa Harvesters 13-6 at Pampa on October 7. It was the first loss for the home team on their own field by the Sandies since 1947. The Sandies took the opening kickoff and scored. They then pounced on a Harvester fumble and scored again. The Farmers scored after the second kickoff. Then the two teams settled down to a defensive ball game for the remainder of the evening. Arnie Duncan was credited with the first TD on a two-yard run into the end zone. "Skippy" Pamplin converted. Key play in the drive was a 26-yard run by Duncan. Keith LaFon made the second TD.

ALL-STATE "WAHOO" McDANIEL ROMPS PAST A.H.S., 26-6

The Sandie football squad suffered its second loss of the season to the Midland Bulldogs to the count of 26-6 on October 14. Again it was the power plays which featured the running of "Wahoo" McDaniel, all-state fullback, that led the 'Dogs to victory. Also the left-handed passing of quarterback Larry Cooper was a thorn in the Sandies' side. McDaniel ran for 144 yards on 28 tries and Cooper passed for 105 yards completing 6 out of 11 tries. The Bulldogs ran up 248 yards on the ground along with the 105 passing yards, making a grand total yardage of 253. The Sandies had 52 yards in the passing column and rushed 188 yards for an overall total of 240 yards. The Bulldogs scored twice in the second period and once each in the final two periods while the Sandies scored their lone tally early in the first period. Three plays after the kickoff, Arnie Duncan recovered a fumble on the Bulldog 49 yard line to set up the TD. A pass from Billy Hulett to Tommy Pace gave the Sandies a TD, but no extra point.

TOO MUCH HORSEPOWER! ODESSA WINS 14-0

The Golden Sandies fell before a sparse crowd at Amarillo Stadium on October 21 to the Odessa Bronchos, 14-0. It was one of those games where it looked like the full-of-hustle and desire Sandies would have matched points with the visitors. The Goldenmen probably played their finest game in losing and were on even terms with the Bronchos all night. It was mistakes which allowed the visitors to cash in for TD's. The Sandies were able to muster only one scoring threat, that in the fourth period when they drove to the Odessa two-yard line before they were forced to give up the ball on downs. It was the best defensive game to that time.

FRIGHTENED EAGLES OVERTAKE A.H.S., 35-13

The spirited Sandies took to the Abilene field a three touchdown underdog and lost to that very measurement, 35-13, but not before they had scared the wits out of the defending state champions and their supporters on October 28. It was, to say the least, a moral victory for Joe Kerbel's fighting eleven. They spotted TD's in the first half and forced the home team to play their first string during most of the game. It appeared during the initial half that the Kerbel-led Goldenmen would pull an upset similar to one the new coach had experienced a yea. before with the Breckenridge champions. Abilene picked up a TD in the first three minutes of play. The Amarillo lads marched right back to tie the score 7-7. The Sandies drew ever-so-near to making it a tie again when they made their second TD and failed on the point after, leaving the score 14-13 in the third quarter. As gamely and valiantly as the Sandies fought, they just didn't seem to have the speed nor firepower to cope with the mighty Eagles. Abilene made the score 21-13 by the end of the third period and went on to pour across the double stripe for two more before the final gun. Abilene out-downed the A.H.S. lads 22-8 and out distanced them 444 to 92 on the ground. Amarillo completed two of three passes for 33 yards. Fumbles were even with two recovered by each.

LASATER AND CO. BEST A.H.S. 19-7

The San Angelo Bobcats, sparked by the flashy playing of halfbacks Marvin Lasater and Norman Marshall, ground out a 19-7 victory over the underdog Sandies November 11.

Late in the second quarter Marshall passed to Lasater who was downed on the Amarillo two yard line. For three downs the Sandies dumped dust in the Bobcats' eyes, but on fourth down, Bill Hollis scored. Roy Northrup, fullback, led the attack for a touchdown going around end for six. Duncan kicked the point to make it seven. In the third and fourth quarters, Lasater broke loose for two touchdowns.

SANDIES END SEASON WITH WINS 33-0 AND 35-0

The Golden Sandie football team closed its 1955 season with impressive victories over two regional foes, Borger and Lubbock. Using primarily reserves, Coach Joe Kerbel's initial season at Amarillo High School finished with a 5-5 season.

Against Borger, junior halfback Billy Hulett scored first on a ten-yard drive. Arnie Duncan converted. David Russell scored next on a 17-yard draw play with Duncan converting to make it 14-0. Duncan made one of his best runs setting up the next TD, a 71 yarder. It was an offensive show of power over weak foes.

In the traditional Thanksgiving Day classic with Lubbock High School of Lubbock, the Sandies avenged previous humiliating defeats at the hands of L.H.S. by a decisive 35-0 score. It was the Golden Boys' first win over Lubbock in Amarillo Stadium.

Keith LaFon made the initial TD, followed by scoring from David Russell and Regal and LaFon again. Arnie Duncan converted five times.

Highlight of the game was a fifty-five yard run by Bob Bayless when he took a Sandie fumble and ran deep into Lubbock territory. Most of the playing was done by Sandies who are expected to play a great deal in 1956.

SEASON SUMMARY

The Sandie basketball squad finished their 1955-56 schedule by defeating the Lubbock Westerners 58-46 at Lubbock on February 11. This gave the Sandies a 10-7 record for the season and a 2-4 record in northern division district play.

The Sandies were able to defeat the Westerners of Lubbock twice for their conference wins. The other score was 62-52 in the game played at the West Texas Fieldhouse.

The co-champions of the division Pampa and Borger each defeated the Sandies twice, the Bulldogs dropping them 68-61 and 53-44 and the Harvesters taking them 52-49 and 50-42. The Harvesters represented the northern division in the playoffs as they defeated Borger in a sudden-death playoff.

Other wins recorded by the Sandies during the season were over Dumas 70-34, Clovis 72-49, Tucumcari 79-68, Capitol Hill 67-56, Plainview 78-44, Hobbs 76-75, Norman 56-54, and Portales 59-53. Other non-conference losses were to Monterrey of Lubbock 61-54, Hobbs 85-67 and Borger 51-45.

SEASON SUMMARY

The outlook for the 1956 edition of the Sandie baseball is good. This year's squad will have five returning regulars last year's bi-district championship team. Among them are leading hitter, Joe McKay; star shortstop, Gene McClain; slugger, Jimmy Weston; pepper-pot, Ray Ruffin; and catcher, Edwin Rice. The team is also blessed with pitchers such as Bill Curry, Bill Hisey, Bobby Turner, Buddy Whippo and Jimmy Weston. The return of "Bugs" Boney will also strengthen the team.

This year's team is one of the most experienced in recent years. The majority of the squad played on the American Legion State Champions of 1955 and were regulars on the 1955 Sandie which compiled an excellent 25-3 record. The only high school losses were to Odessa, 9-7, Borger, 6-5 and to 1955's AA State Champions, Paris, 3-2. As you will notice, the team lost 3 games by a total of four runs the whole season.

SEASON SUMMARY

The 1955 addition of the Sandie Tennis Team was highly successful as they won the Sandie Relays and the district championship. The girls' doubles team, Betty Graham and Ginger Owens, won the regional championship and advanced to the state tournament.

The team came along well late in the season winning their own tournament. The girls' doubles and boys' doubles, John Lawrence and Scott Cantine, won the Sandie Relay crowns. The whole team accumulated 28 points for the title. Owens and Graham and girls' singles representatives, Elaine Lewis, won district titles. Boys' singles representatives, Warren Zimmerman, and the Boys' doubles team, Cantine and Lawrence, were runner-ups in the meet.

The "56" team will be strong in singles and will come along in doubles. Elaine Lewis and Warren Zimmerman returned to give the Sandies strength at these posts. Squadmen John Lawrence, Dale Jones, Bobby Cantine, Neil Thompson and Gene Shelburne returned to compete for the doubles post.

Susie Loving and Georgia Ehly and a host of newcomers, mostly sophomores, will compete for the girls' posts.

Coach Jane Williams is expecting to have a fine year with the 1956 tennis team. Although she has lack of experience in certain fields she hopes that she can produce another outstanding Sandie Tennis Team.

SCHOOL BELLS RING

School opened in September, 1955, almost like any other year, with the exception that this year there were fewer students than in the past three. It was the first year that Amarillo had more than one high school. The Palo Duro High School students shared the laboratory and shop facilities with A.H.S. until December. The athletic teams did not meet the first year, but the Interscholastic League announced that they would be in the same conference in 1956-57. Some students were late registering, others were there a day early. After filling out forms and standing in the usual lines, students went to the cafeteria to have their pictures made for the 1956 La Airosa. Clubs began meeting, tags went on sale, and elections were just around the corner.

MOTORMEN . . . Early officers elected by the many clubs were these by the V.I.C. Chapter 99. They are Robert Getman, Bugs Boney, David Gettman and Lindly Seigal.

VARSITY VIC AND KAMPUS KATE . . . Chosen for their outstanding contributions to A.H.S. for September were Betty Townsend and Edwin Rice.

ONLY A DIME . . . Allied Youth Members sold book covers and penci to raise money for their national convention expenses during the ope ing of school.

ACTIVITY BEGINS AT A.H.S.

With the opening of school, clubs began to make appointments on the social calendar. The faculty received special instructions for the coming school year. The Reserve Officers Training Corps named its group of honorary cadet officers and the young ladies spent countless hours making new skirts and shining brass for that first meeting with the company. The 1956 La Airosa staff met in an all-day clinic to discuss this volume and make plans for their year's activities. It was just as we had left it in May.

CADET BEAUTIES . . . This bevy of young ladies constitute the honorary officers for the ROTC unit for 1955-56.

HATS IN THE RING

Primary elections took place as near the regular Texas Election Law rules at A.H.S. on October 6. The run-offs were held the next week. Students chose Dolphia Dawson as their queen. Ann Selecman, Mary Ann Stein, Flo Ann Miller, Bobby Lanier, Judy Sutton, Sylvia Ramsey, Ervin Sandlin, Bill Grisby, Kenney Prickett and Carol Cain were named the ten councilmen-at-large. Class officers are pictured in the regular class section of this edition. Following the elections, many began rehearsals for the annual crowning ceremony for the Queen. A run-off was held for the queen between the winner and Amma Lynn Gunn. The race in the sophomore class for secretary produced a run-off between Melaney McAfee and Mary Alice Lokey. After the elections were completed, the halls were cleared of the posters that covered the walls for some three weeks.

ONE FOR YOU . . . Students in Mr. Joe Parkey's Civics classes counted the ballots after the election.

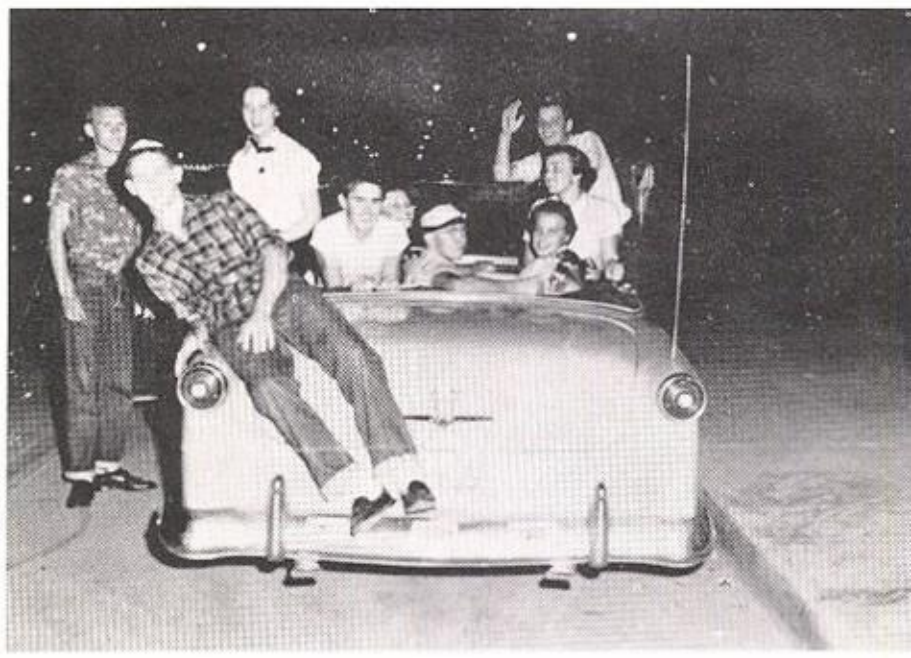
HERE YOU GO . . . Another sophomore and another explanation of how to vote like the real elections are part of A.H.S. training in citizenship.

WHICH ONE? . . . Even the windows and doors had posters this year. One candidate even placed posters on the floor, at least a new idea. Some won, and some lost.

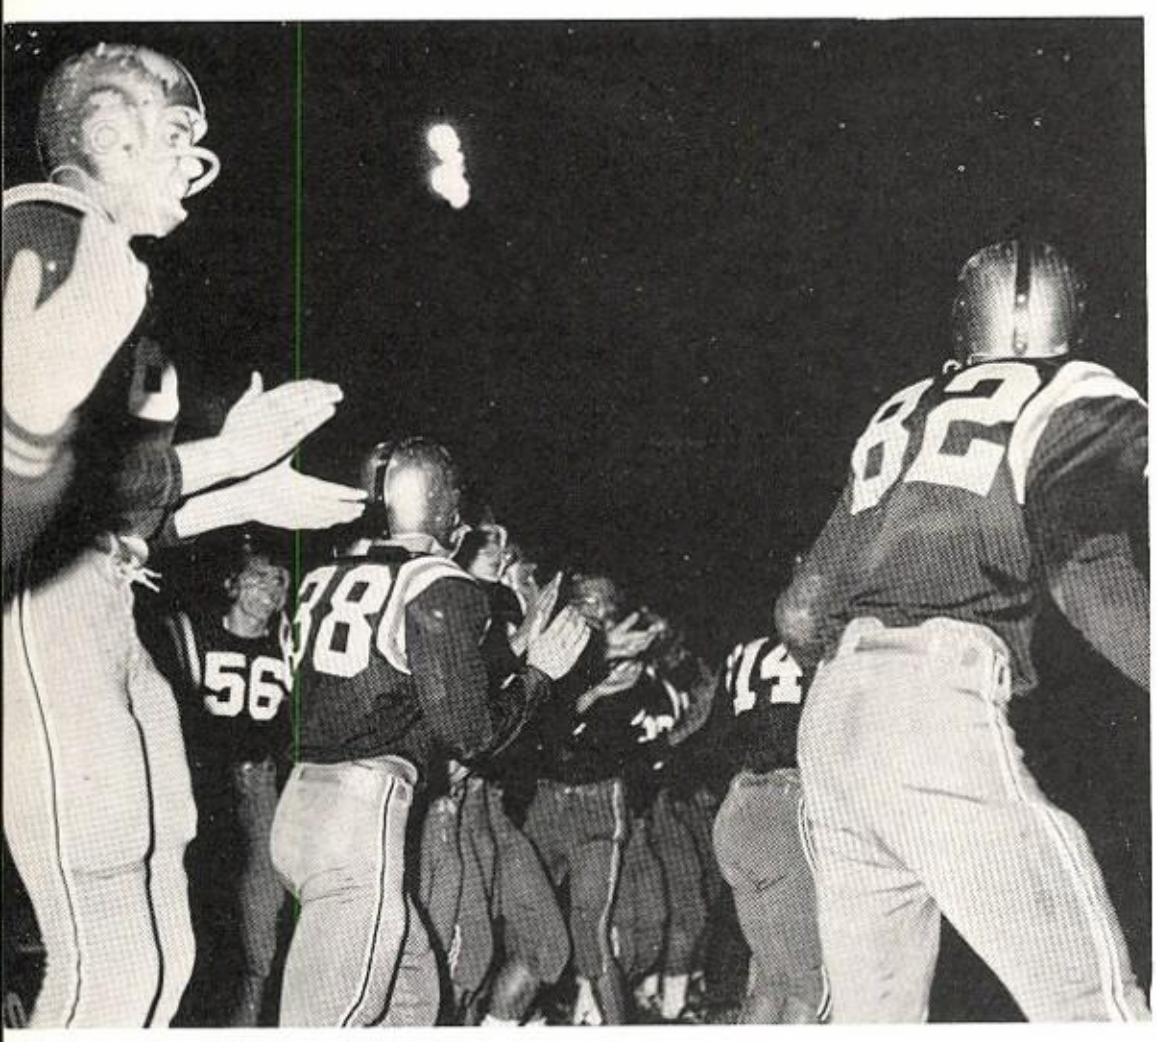
FOOTBALL TAKES OVER

With the fall nights and the long days in class, school was not completely opened until Friday night, September 16 when the 1955 edition of the Golden Sandstorm went to Amarillo Stadium and trimmed the invading Capitol Hill Redskins 40-13 under the direction of their new coach, Joe Kerbel. The next week, the Goldenmen took the Paschal Panthers 33-21. Then came the Witchita Falls game, when the Coyotes stopped the Sandie scoring and winning with a 27-0 beating. But, the spirit continued.

PLOW THEM UNDER . . . Sandie Cheerleaders during the Pampa pep rally are pictured leading a yell for the first conference game with the Pampa team.



WE WERE THERE . . . This group drove to the Wichita Falls game to support the team.



SOMETHING NEW . . . For the first time in Amarillo Stadium, the home team never used the bench. The team, under the coaching of Joe Kerbel made history with the fans standing during each game.

HOLD ON TIGHT . . . The job of the cheerleader is more than being in the spotlight at the games and pep rallies. They hang many signs weekly.

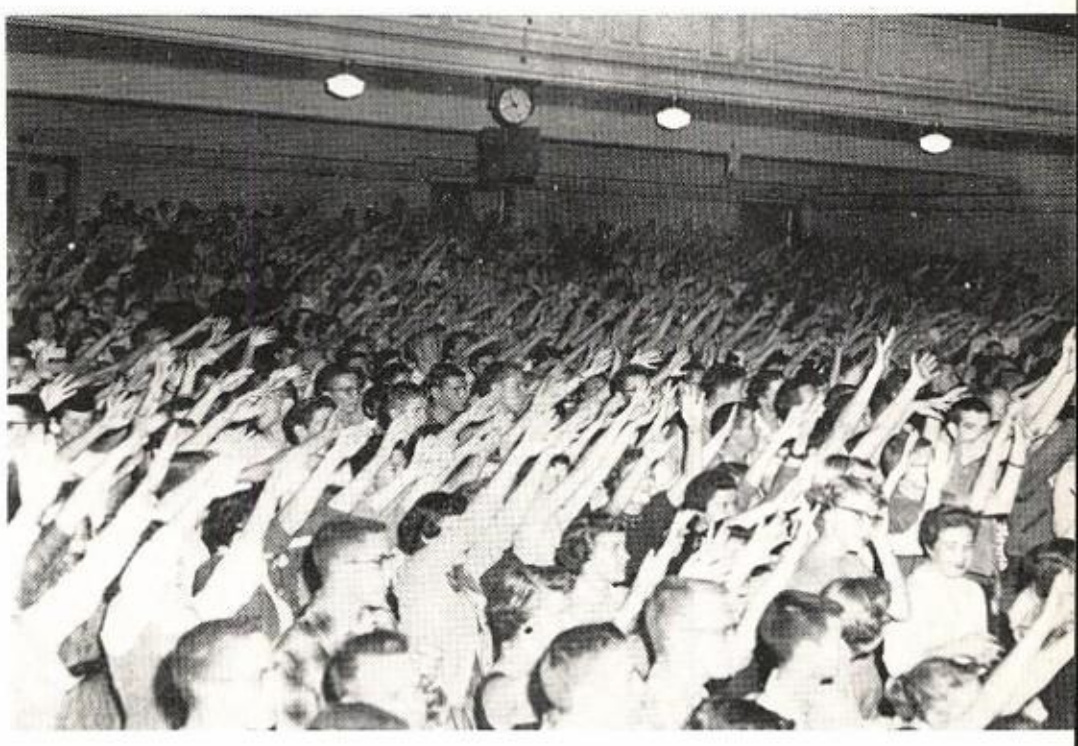
SMILE PRETTY . . . Part of the halftime at any ball game is the performance of the Sandie Band. Here are its student leaders with the group.

SPIRIT RUNS HIGH

Football fever hits Amarillo High School like it does at all high schools across the country. The students and fans fill the stadium on Friday nights and, later in the season, on Saturday afternoons, for a two hour period filled with excitement. Much of the color of the game came from the yelling of the student section, the Golden Sandie Band performance at halftime, and this year the team itself. Boasting one of the best bands in the country, the fans and students alike were always proud when the Golden Sandie Band took to the field for its shows. One of the highlights of any athletic contest at A.H.S. is the singing of the Alma Mater hymn and the invocation given usually by one of the city's ministers. Allied Youth members always reminded the fans about their conduct prior to the game. The ROTC ushered fans to their seats.

ATTENTION . . . ROTC cadets and their sponsors call the corps to attention prior to each football game, where the corps served as ushers for the fans and student body.

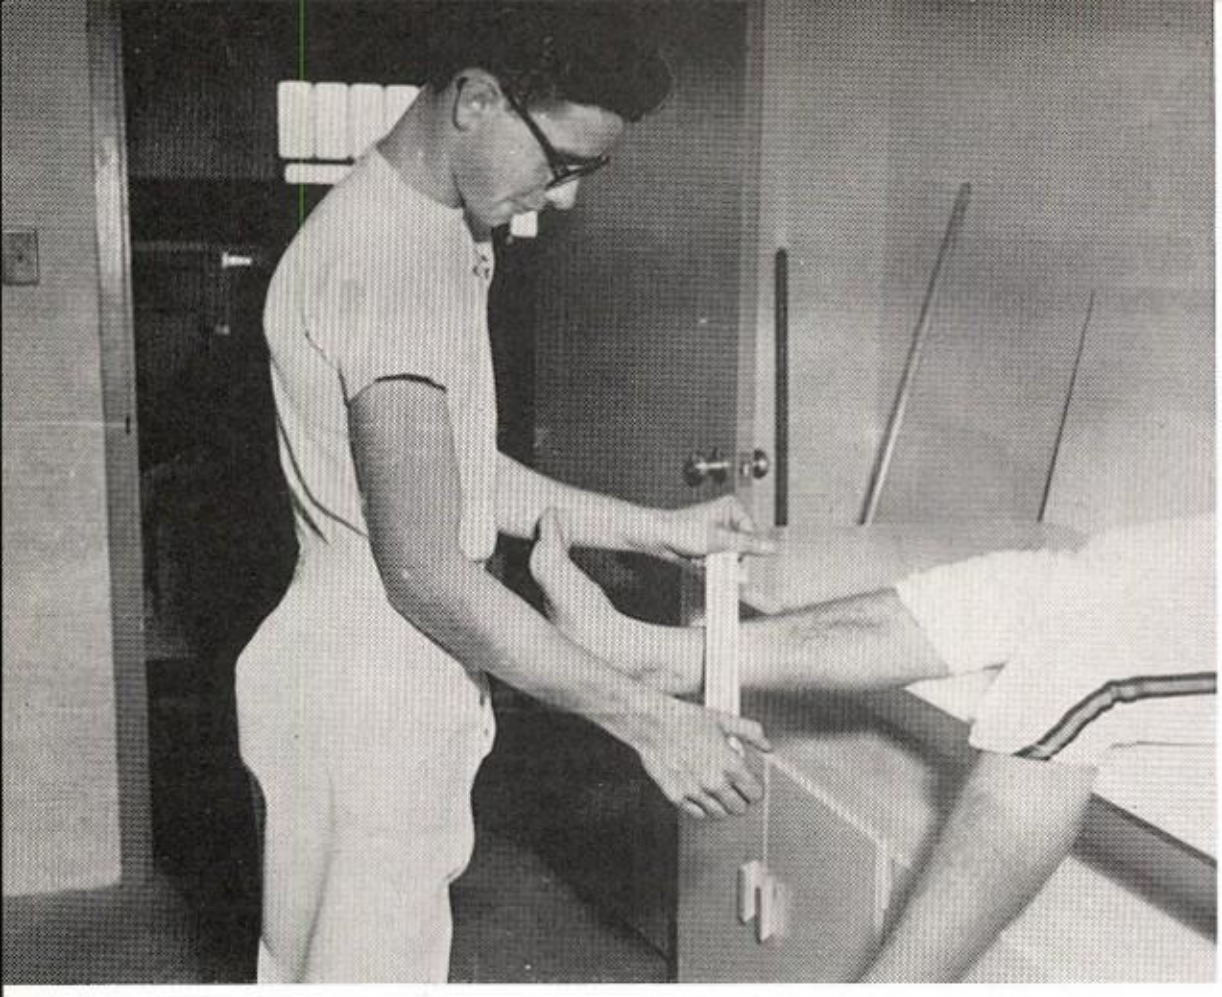
HELLO THERE . . . Dorothy Smith and Carroll Bains, along with the other yell leaders were introduced at the first football game with band accompaniment.



UP HIGHER . . . One of the favorite yells at A.H.S. is the chant, where students hold their hands high in the air as a signal of their loyalty while leading the team on to victory.

NEW TOUCHDOWN HORN

During the pep rally for the Odessa game, the Sandie Booster Club made its presentation of a touchdown horn like one used in colleges. The faculty was warned in advance not to clear the building for fear it was an air raid. Unfortunately, the Odessa game ended in a 14-0 score in favor of the Bronchos and Amarillo fans were denied the honk at the first game. Yell leader sponsor, Mrs. Louise Goode and some aides, let the horn honk anyway.

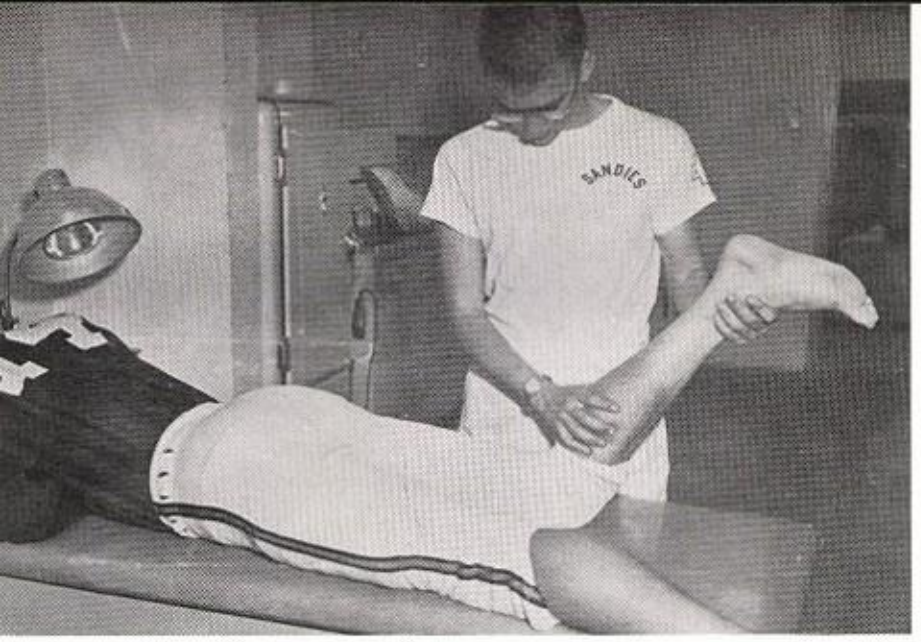


TAPE 'ER GOOD . . . Paul Stamatis, one of the student trainers, applies tape to the ankle of a Sandie prior to one of the football games during the season.

AIN'T THAT SWEET . . . Admiring the new touchdown horn are the A.H.S. yell leaders at the initial game when the horn was not used. A.H.S. lost 14-0 to Odessa.

AND THEN MRS. GOODE . . . Anxious to display the new touchdown horn, Mrs. Louise Goode is aided by a band major when the horn blew itself out at the first football game where it was to be used.

THANKS, FELLOWS . . . Members of the Sandie Booster Club made the presentation of the new touchdown horn to the team and yell leaders during a pep rally.



BEFORE THE GAME . . . John Oakes is pictured in his role as a student trainer preparing one of the musclemen for the evening's game.

THE BAND CROWNS DONNA

The Golden Sandie Band chose Donna Pearson as their queen this year and presented her to the student body and fans at the Amarillo-Borger football game the Saturday before Thanksgiving. Robert Woodward, drum major, escorted Donna to the fifty yard line as the band formed a double line in her honor. Ironically, Donna was chosen Homecoming Queen and was presented at the annual Thanksgiving Day football game with the Lubbock Westerners. These two halftime shows marked only two of the Golden Sandie Band's several excellent halftime shows. The band went on to win first place in the regional competition in marching and was chosen as a clinic band for demonstration at a regular meeting held in Canyon at West Texas State College for band directors. The Band was featured in a full page feature in the October 24 issue of The Sandstorm. The group took one out-of-town football trip to Abilene for the Sandie-Eagle game.

The pairs ate from highly decorated boxes which each girl had prepared. The event is an annual one with the F.H.A. group and is a prelude to the annual F.H.A. week which is celebrated in Amarillo. From a group of seventeen, the audience selected the finalist and Turtle Bailey as runner-up. Each contestant received valuable gifts from merchants. The finalists won nosegays made up of vegetables. Gochnauer received a spittoon engraved with his title on it. He also received an all-expense paid night on the town through the courtesy of many Amarillo merchants. Each of the contestants presented a talent skit and paraded during a "beauty contest" parade as part of the competition. They each ate a berry pie during the pie eating contest.

CAMPUS EVENTS

The weather stayed pretty much the same during the fall. It snowed a couple of times and the sun shone several times. The Bel Canto Chorale sang with the Amarillo Symphony and A.H.S. crowned a Queen. The faculty came back to school to meet parents during the American Education Week events. We still had the morning devotional each morning and Morning Watch each Thursday. The Student Council met second period each Tuesday, the band and orchestra rehearsed daily and The Sandstorm came out twice a month. The Sandies played some football games. Miss Gladys Wallis served as sponsor of a new Stamp Collector's Club. Seven A.H.S. students went to Columbia South Carolina for a Student Council convention, where Susan Slater served as editor of the Journal of the group. Beverly Bates, featured in a picture story in the Journal went along as a dream girl. The VIC, chapter 99, held an open house.

FALL TURNED TO WINTER, CLASSES HARDER

The football fever left and the weather changed and A.H.S. went from fall to the time for Anti-freeze and the letter jackets. President Eisenhower was felled by a heart attack in late September and some students sent him cards. The seven foreign students met for a picture and prepared some assembly and other programs.

The Future Teachers of America Chapter began selling black and gold ties to aid in paying for their trips to Canyon for the Miss and Mrs. F.T.A. contest and for the state convention. The faculty attended Business-Education Day. Barbara Mathis was named queen of the Spanish Club. Last year's annual won the Columbia Medalist.

About the second week in December, the spirit of football leaves the halls of A.H.S. and the annual festive Christmas spirit takes over. The Student Council places a tree in the main hall. Some homerooms decorate their doors and the collection of cans for the Children's Home begins. Almost every campus organization plans its annual Christmas Party. Some groups do not exchange gifts, but prepare food and gifts for needy family groups to be distributed by local Red Feather Agencies. Some campus organizations give each faculty member a reminder of their devotion for the year's work.

The Bel Canto was released from their sixth period classes and roamed through the halls singing the traditional carols for all the school. In Miss Gladys Wallis' Spanish classes, the students had a Pinata Party where they learned the customs of the old country. Some students baked cookies and the Principal had open house to display his new longhorns. The girls' golf team served as hostesses and all the student body was invited to file through the office and browse about the trophies and mementos of the head of the school. PARTY TIME

As is traditional, the Dorinda E. Bond Press Club held its annual Christmas Party at Camp Don Harrington and ate a hearty meal prepared by alumni. Gifts and food were prepared for a needy family which was distributed later in the week through the Family Service and the Mexican Christian Church. Carols were sung around the open fire and the traditional Christmas Story told by candlelight.

HEAD TABLE CHARACTERS . . . Ruth Hunter, left, Billy Walker and Jim Parr were among the head table guests at the annual Press Club Christmas Party at Camp Don Harrington.

ROUNDBALL TIME

The weeks following Christmas at AHS are usually varied in activity. This year was no exception. The Allied Youth held one of its meetings, the first ever in the afternoon. Ed Branon, executive secretary of the Allied Youth spoke, following a mock funeral. Homer Rice, local restaurant operator was honored with a Varsity Vic award for his accompanying the AY group to Buckhill Falls, Pa., in the fall. An AHS ex-student was Queen of the Cotton Bowl, and basketball fever hit the fans.

AT RIGHT . . . Basketball Coach T. G. Hull introduced the members of his team to the student body in a special basketball pep rally. Coach Bacon is shown at left.

GUEST . . . State FFA President, Royce Bodiford visited AHS with Betty Witherspoon and Larry Todd, local officers during February.

THANKS . . . Shirley Jo Shores, Sandstorm Editor and Ed Smith, Editor of Palo Duro's Prairie Sage, receive material from the Ad Club.

SNOW TIME

SKI CLUB OUTING . . . As they do a couple of times each winter, the members of the AHS Ski Club journey to Santa Fe, N. M., to engage in winter sports. Here they are pictured near the ski lift at the Santa Fe Basin Ski Run. Broken bones sometimes follow these treks.

WARMING UP . . . Ski Club members engage in various evening outings in the resort city, after a spell at the warm open fireplace

REAL COOL . . . When the "Big Snow" hit our own location, ski togs were comfortable.

SNOWMAN A LA DARWIN . . . This picture proves that students can do art work outside of the classroom. The local newspaper gave prizes for the most unusual, tallest, etc. Ann Selecman, Linda Clayton, David Browning and Billy Hulett carved this group of ancestors at 1526 Parker Street a few days after they shoveled away the snow from their doorways as did countless AHS students "that week" when we had class on Wednesday and Friday. It was the greatest snow in some fifty years in Amarillo's history. No lie!

SNOW COUPLE . . . Sondra Johnson and "Bub" Smith were guests at the Santa Fe Ski Run.

BEAUTIFUL SCENERY . . . The Ski Basin at Santa Fe, N. M., provides a beautiful background for Amarillo ski enthusiasts during Christmas vacation and Mid-Term free time each year.

MIXING UP . . . Art Classes mixed a variety of colors to achieve the beautiful settings for the annual operetta this year.

OPENING COSTUMES . . . Joe Brock and Amma Lynn Gunn open her costume prior to the performances when they appeared on the second night show. Joe portrayed an American who happens into the Scottish village and meets Ama Lynn.

FANTASYLAND . . . Art students changed last year's backdrops into the village of "Brigadoon" for the annual all-school production.

OPERETTA TIME

Along about December, the music and speech departments join forces and begin work on the annual operetta. This year's show was the popular "Brigadoon" which was a huge success. The other departments of the school work indirectly with these two to produce a three-night run. The art department paints the scenery which the shop classes build. The commercial people do the programs and ticket work. The P.E. classes take on the dancing instruction and the journalism students handle the publicity.

TICKET SELLERS . . . Students in the commercial department handle the ticket counting and prepare the program material for the printer.

POSTER WORK . . . Anita Gordon and Joe Shirley are shown at the AHS press with one of the countless posters placed around the town.

'BRIGADOON' SHOTS

The annual operetta is presented three nights with different casts on Thursday and Friday and an all-star cast on Saturday night. The panel of impartial judges selects the all-star cast from the performances of the two casts. Countless hours of rehearsal and other work go into making this the biggest all-school production of the year. The students practice after school and at evenings. Miss Tennie Thompson and Mr. Jennings Flathers handle the staging and chorus work. Mrs. N. N. Whitworth prepares the technical equipment and Mr. Charles Emmons conducts from the orchestra pit.

MY GIRLS . . . Buck Ramsey, a Bel Canto member is pictured with a bevy of Scottish lasses, much to Dale Darby's dismay.

TELLING THE STORY . . . Mr. Lundie, played by Bill Graham, explains why Brigadoon is such a strange village to Ama Lynn Gunn, Joe Brock and Joe Shirley on Friday night.

POPULAR DANCE . . . The sword dance enacted by non-modern dance students was a highlight of the production. Frank Lane is the leader of this cast, Carroll Bains in the alternate one.

WEDDING ALTAR . . . Thursday night's Wedding Scene is pictured showing principals and members of the cast. Carol Cain is at right with Ken Carpenter. Larry Roberts and Jim Ann Farley are at the altar with Charles Bromhead. Chorus members provided the music.

THAT'S THE WAY . . . Mrs. Minnie Bell Singleton takes time out for another check on her ballet chorus. The physical education department furnished girls for the dances for "Brigadoon."

A LITTLE MORE . . . Wanda Kelln and Nanette Cummings apply makeup to a cast member.

GEE . . . Terry Little is aided to make himself up as a chorus member during the production.

SCOTTISH LAD . . . Carroll Bains played the rejected lover on Thursday and all-star nights of "Brigadoon."

LOVERS . . . Ama Lynn Gunn and Joe Brock are pictured during their wanderings.

AFTER CHASE . . . The body of Harry Beaton is returned to the chapel after chase.

HERE, HERE . . . Mr. Lundie and a lass are pictured in the forest near town.

WEDDING SCENE . . . Friday's act of the wedding scene is shown at the altar in the Scottish village of Brigadoon.

NO, NO, NO! . . . Hamlet is chased by his wife, the Lady Ophelia, played by Cherry Wagner, with the aid of friend Horatio and Hamlet's Father.

'HAMLET ON RYE'

DAGGER OR TEA? . . . Hamlet's Father's Ghost, played by Tom Laceky, offers a dagger in place of the tea bag with a nasty tear in it.

LET ME CLUTCH THEE . . . Billy Walker is seen during his fa ous "Macbeth" dagger scene a part of "Hamlet On Rye," F Ball show.

WITH THE WIND . . . Edwin Rice plays an unhappy husband in "Kate."

I'LL REST . . . Shirley Jo Shores plays Kate in "Kiss Me Kate" scenes.

OH, COULD I? . . . Ophelia desires to crush her husba again since that dirty Uncle has put concrete in her punchi bag.

PART OF THE CROWD . . . John Farquar is the lad with the double "T" on the head above. He's with Patsy Pearce who named the favorites.

THE PRESENTATION OF OUR FAVORITES

The Pop Ball was finally held on February 25, three weeks after the snow storm. Some 400 students and another fifty or so parents and friends crowded the second floor girls' gym and the auditorium for the season's sensational social stomp. The winners are pictured in the Personalities section of this book along with the runners-up. The farce, "Hamlet On Rye" was the highlight of the evening. Edwin Rice was MC.

PARDON MY POP . . . Is this the answer to the proverbial A.H.S. question: To Bop or not to Bop? It's Mr. and Mrs. Lynch dancing!

SOME MORE COUPLES . . . Of the some 400 on the dancefloor, these were snapped by our camera.

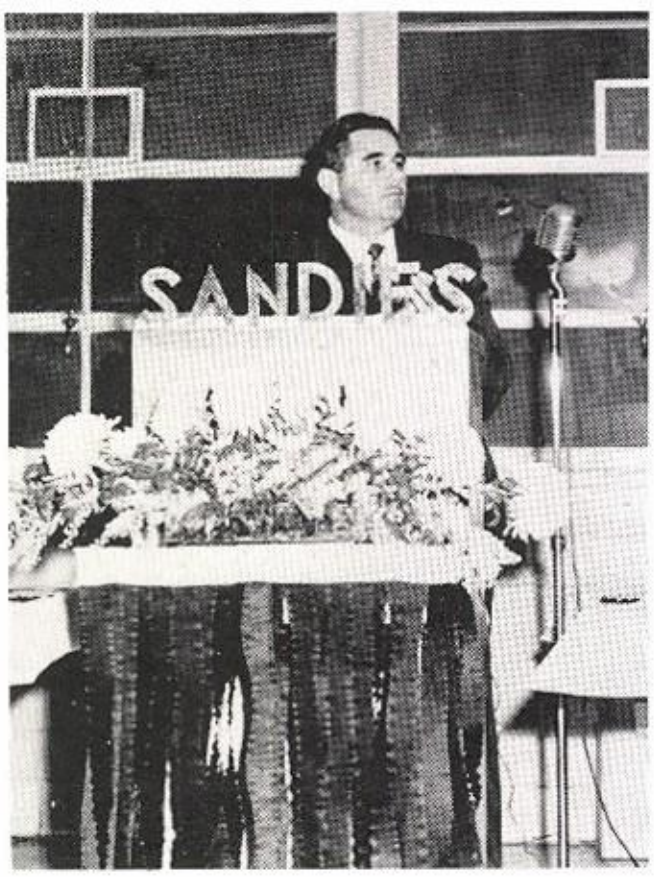
OH, NO, NOT ME . . . Lynda Austin is seen as she was named sophomore favorite at the ball.

AT LEFT . . . Junior Favorites Marshall York and Marcene Mabry are seen in the gaily decorated second floor girls' gym ballroom. These two went together at the time, and both favorites!

SO SOLLY . . . Arnie Duncan, Sandie halfback, opened the evening's entertainment with a discussion of the player's view of the game of football. Thad Ansely was master-of-ceremonies.

THE SANDIES HAD ONE

On February 23rd, the Amarillo Golden Sandstorm held their annual football banquet in the A.H.S. cafeteria. Arnie Duncan (see above), opened the entertainment with the player's view of playing the game. Three hours later, the players, their dates, coaches, parents and guests, left the cafeteria filled with humor and desire for another season to come. The Honorable Jack Cox was the main speaker. Cox told the players about the game of life and the game of football. Billy Walker gave the invocation, and Dr. Newton J. Robison led the group in the benediction. Thad Ansley was master-of-ceremonies. Coach Joe Kerbel introduced each of the players to the crowd of some 400 in attendance which included the Yannigans, Stormies, and ninth grade teams of Amarillo schools.



COACH KERBEL

THE HON. JACK COX

AT LEFT . . . "Skippy" Pamplin was named the winner of the Rudy Bauman Award. Carroll Stafford received the John Spencer "Best Lineman Award." Jimmy Duncan was named to the Globe-News Most Valuable Player Award.

KID DAY STUNTS

Along in the middle of the spring, the birds begin making nests, the robins appear, the flowers come up from the wintry ground, and the seniors at A.H.S. have Kid Day. This is the day when all the seniors relive their first grade and before experiences in costume and with all-day suckers, teddy bears, and all the toys they can carry around. The parade begins in the main hall about 8 a.m. and classes are just about the same as twelve years before for everyone until noon. Then the youngin's go out to the park and have a picnic, go to the picture show or have free rides at a local carnival. Somehow it's all too strange to see them on Monday morning again all dressed in their multi-petticoats and blue jeans.. This is one of the most cherished of all Sandieland traditions, and one looked forward to by all the years at A.H.S.

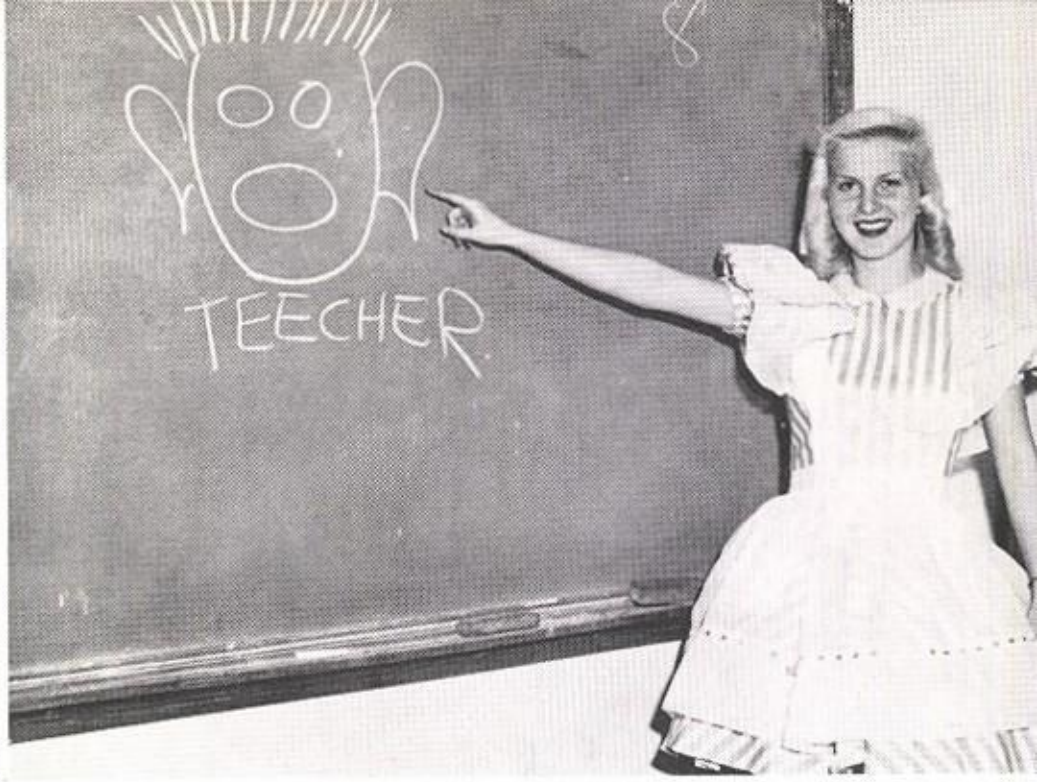
AROUND THE CAMPUS . . . Kid Day kids are pictured waiting for the program to begin in the auditorium. Some fun.

NO, YOU DON'T . . . Only on Kid Day (?) can this bit of fun take place at A.H.S.

CHOP STICKS . . . This twosome wished that they could play the piano at the Kid Day Program.

JUST RESTIN' . . . Our typical group of youngsters stop on their merry way around school to rest.

HANDY CAN, NO DOUBT . . . The Handy Dandy Sandie Cans become useful on the Day of all Kids around A.H.S.



A STUNT . . . this is what happens at A.H.S. only on Kid Day, in the middle of April.

ALL KIDS ARE NOT GOATS!!

Although Kid Day is scheduled after the La Airosa goes to press each year, an effort is made to capture some of the fun which seniors experience on that one remembered day in their activities. The activities editor of the yearbook, therefore, must call on her friends to help out in some borrowed togs for the pictures. If you were left out, why not stay around another year and we'll get yours in next time. Okey?

BOOKS ARE USED . . . on Kid Day, but not for knowledge, all the time. See above?

LOTS OF TEETH . . . these three are just trying to get to AHS's new three-to-the-drink fountain.

IT'S MINE, I TELL YOU . . . This is a Kid Day class in a classroom on Kid Day.

WHERE'S THE FOURTH . . . These jacks players need a fourth for their little game.

NOW SLOWER . . . These two might have opened the curtain for the Kid Day program in the auditorium.

UP, UP, NOW . . . Just a playful group of kids on Amarillo High's annual Kid Day in April.

STEADY, NOW . . . A local artist applies some finishing touches to her work with model.

If Wishes Were Horses . . .

Yes, horses would be a more common sight today if all our wishes were horses. But even if they aren't, they can still come true. For instance, you can get lots of wishes off to a good start now..... by opening a savings account at your favorite bank. You know, the smallest amounts can add up to pretty sizable sums when they're saved regularly.....and sizable sums can make many a big wish become fact.

ALL GOOD THINGS . . .

must come to an end, and so the editors and the business manager of the 1956 La Airosa bid you adieu. There is an old Spanish saying that the publishers should leave town after a book has gone to press, and so you see them on their way to Siberia. If you are not satisfied with the book, if the wrong name appears under your picture, or even if your picture is left out, you may address your complaints to Ruth Hunter Trickey, Billy Walker, or Betty Townsend, world travelers, c/o American Embassy, Baku, Aserbadzan.

This picture shows how we would liked to have left town, on the Santa Fe's special La Airosa Limited, that is . . .

Carol Ann-
I wish you the

Dear Carol,
Since I don't know you very well, I can't write a book on your personality. However, you do have a lot of abilities. You are one of the best in the West.

Chas Brantley

Dear Carol Ann -

We've had a lot of laughs together, and a few bad times, too. I cried full a bag with "Remember this-" "Remember that-" I guess I never will forget those Sunday afternoons when you got the car. We really had a ball - eh - kid?

Seriously though, I've really enjoyed this school year. We've had fun in gym - even though Willie did get peeved at us.

In the future, don't change your personality and you'll go far.

Best wishes and may God bless you always.

Barbara Hartan.

Dear Carol Ann,

Even though we have had some fun & some rough times & still like to see you around. Always stay as you are for I wouldn't want to see you any way.

Lots of Love & Luck

Always,

Betty Frey
